## FEATURES

- 10 HOTSEAT: FTR**  
The only team to have held world tag titles in both WWE and AEW, FTR rose above the rest to be named our first-ever #1 tag team. In this exclusive Hotseat interview, Senior Writer Harry Burkett speaks to Dax Harwood and Cash Wheeler about their career thus far, prospects of reuniting the Four Horsemen, and much more.
- 26 THE FIRST-EVER PWI/TAG TEAM 50**  
After more than a decade ranking the top heavy-weight and women's wrestlers in the world, we're completing the trilogy with the first annual "Tag Team 50"—complete with photos, bios, and reflections from top tag specialists.
- 52 THEY'VE STILL GOT IT!**  
Though they've fared well apart, it felt like fate when Motor City Machine Guns reunited in Impact Wrestling. Scott Fishman talks to Alex Shelley and Chris Sabin about their current, celebrated run as a duo.
- 56 PWI REMASTERED: THE STEINER BROS.**  
Straight from the *Pro Wrestling Illustrated* vault, this 1992 feature cites a "computer program" as evidence the Steiners are the world's top tag team. Bob Smith's original text is paired with all-new classic photos for a nostalgic treat.
- 60 SIBLING REVELRY**  
In a year full of depressing news stories, the success of Team Sea Stars is truly something to celebrate. Jake Joyce talks to real-life sisters Ashley Vox and Delmi Exo about their path to success ... and goals for the future.
- 66 THE ULTIMATE TEAM PLAYER**  
Already one of the company's most decorated tag champs, Rocky Romero has become New Japan's multilingual jack-of-all-trades. Walter Yeates goes behind the scenes with the NJPW star.
