## FEATURES

- 20 HOTSEAT: ALEXA BLISS**  
Talking to Alexa Bliss, you'd think a good percentage of her 101 pounds is comprised of the giant chip she has on her shoulder. She will not allow the world to look down on her—even if she does stand only 5'1". After reading the transcription of Senior Writer Al Castle's hour-long discussion with Alexa, you may never feel the same about her again.
- 28 CAN AUSTIN ARIES HELP REPAIR THE IMPACT BRAND? WINNING THE TITLE IS A GOOD FIRST STEP**  
"A-Double" made a surprise return to the Impact Zone and was still in street clothes when he won the Impact heavyweight title from Eli Drake. Aries has a place in his heart for this company, and he's going to do everything within his power to help make it prominent again.
- 32 THE OTHER STREAK: IS CURT HAWKINS AFRAID OF WINNING?**  
You have to hand it to someone who makes the most of their inability to succeed. Curt Hawkins has taken over the role of "Lovable Loser" from the Chicago Cubs. The only thing that will derail this marketing juggernaut is winning. And that's something to be afraid of!
- 36 WELCOME BACK!**  
Stars that faded from the WWE Universe made their way back for Raw's 25th Anniversary show and the men's and women's Royal Rumbles, creating new memories for us all. Relive the magical moments as the world's greatest wrestling photographers take you to ringside and beyond.
- 42 WAIT, THEY COMPETED AT WRESTLEMANIA ... AND THEY NEVER DID?**  
Even we were surprised by the names that came up when we did the research for this article. See if you agree.
- 47 PWI REPORT CARDS: WHO MADE THE GRADE IN '17?**  
As is our tradition at this time of the year, we gather the names of the top stars in the sport and give them a letter grade for not only their performance for the prior year, but their ability to live up to the standards they set for themselves.
