## FEATURES

- 20 HOTSEAT: SCOTT D'AMORE & DON CALLIS**  
The new co-executive vice presidents of Impact Wrestling have a lot to share with Senior Writer Al Castle in this exclusive Q&A, but one thing they are too politically savvy to say is, "Hey, we have nowhere to go but up." But that is indeed the state of the former TNA as these respected veterans of the business try to change the creative path of the company and the perception of the fans. The rising Nielsen ratings for *Impact Wrestling* already indicate that they are succeeding.
- 26 WRESTLEMANIA 34: THE REAL WINNERS & LOSERS**  
Daniel Bryan made his return, Ronda Rousey made her debut, and The Undertaker came back from the dead. WrestleMania 34, from the Mercedes-Benz Superdome in New Orleans, changed the landscape of the wrestling business in many ways. We take a look back at what occurred in April and explain why wrestlers whose arms were not raised that night may end up being the big winners, and, conversely, why things may not go so well for some who enjoyed their moment of glory that day.
- 42 THE WWE HALL OF FAME CLASS OF 2018**  
With characters like the Dudley Boyz and Hillbilly Jim on the bill at the 2018 WWE Hall of Fame induction ceremony, you wouldn't expect a 14-year-old boy to steal the show. But that's exactly what Jarrius "JJ" Robertson did after being handed the Warrior Award by Dana Warrior. JJ has led a tough, tough life after receiving a liver transplant at age one, but you'd never know it from the way he turned on a building full of wrestlers and fans two night before WrestleMania!
- 44 THE 2018 PWI POLL: WRESTLING'S 50 HOTTEST QUESTIONS ANSWERED**  
Wrestling fans have opinions. All you have to do is browse the Internet for a few minutes to understand that. Snobbishly, we like to think that those who read *PWI* are the most sophisticated of wrestling consumers. Each year we pose a series of questions to 250 of our subscribers, the answers to which reflect the customers' view of the state of the industry as a whole.
