## FEATURES

- 18 HOTSEAT: AJ STYLES**  
So much has happened in AJ Styles' career over the past 10 years that, until reminded, it was hard for him to recall just what was going on at the start of the decade. He's a man who sets goals and finds a way to achieve them. Looking back is something of a wasted exercise. This special interview is in honor of AJ being voted Wrestler of the Decade, however, so he really had no choice.
- 28 HOW TESSA BLANCHARD CONVERTED PRESSURE INTO DIAMONDS & GOLD**  
When Tessa Blanchard chose to pursue a career as a professional wrestler, just being good or even great was not enough. She wanted to make history, and she did just that by beating Sami Callihan for the Impact Wrestling heavyweight title.
- 28 "TOMORROW IS NEVER PROMISED": HOW WWE SAVED DANA BROOKE'S LIFE**  
Dana Brooke doesn't even want to contemplate what her life would have been like in 2017 after her boyfriend, Dallas McCarver, suddenly died from a heart attack had she not had the support of her family and, especially, her female companions in WWE. She discusses that time in her life with *PWI* for the first time.
- 32 25 UNDER 25: THE YOUNG WRESTLERS WHO WILL LEAD THE SPORT INTO THE FUTURE**  
At a time when some of the biggest names in the sport are well into their 40s, it's nice to know that there is an abundance of talented wrestlers who have not even reached 25. These young stars should be performing at a high level when we reach the next decade—and perhaps the one after that!
- 41 THE TERRIFIC 2010s! HONORING THE BEST OF THE DECADE**  
Our readers select the very best in eight categories, plus we list the decade's top 100 of the "PWI 500."
